ASK ABOUT OUR BLT Commitment Trust

**BEQUESTS AND
LIVING TRUSTS**

BECOME A BLT BENEFACTOR

The Commitment Trust

The Commitment Trust is a charitable remainder **unitrust (UT)** that pays you 7% of the trust value each year as long as the donor or spouse is living. When both of you have passed on, the value of the trust is transferred to the **CHEMPI** program in order to help disabled children. There is a \$10,000 minimum to establish a commitment trust.

Based upon your ages, a \$10,000 **Commitment Trust** will create an immediate partial income tax deduction. The final figure depends upon the timing of the trust since your ages and IRS monthly factor impact the deduction calculation. In addition, you will receive an annual income of about \$700 initially.

AN ESTATE GIFT

WHAT IS A BEQUEST?

It is a gift by your will, usually a clause in your will, that bequests money or other property to your heirs or selected beneficiaries, e.g., your favorite charity.

WHAT IS A LIVING TRUST?

It is a document in which a person (trustor) leaves property to another (trustee) for the benefit of another during your lifetime; you have created a LIVING TRUST.

WHAT CAN YOU DO?

You can remember the Major Project in your will or living trust. If each of us would remember the Major Project, a pool of millions of dollars would be available for the treatment and care of children with disabilities.

HOW DO YOU MAKE SUCH A GIFT?

If you do not have a will, have one prepared for you by your legal advisor, naming the **MAJOR PROJECT** as one of the recipients of your estate. If you have a will, your attorney can add a codicil (change) naming the **MAJOR PROJECT** in a bequest.

If you have a living trust, your legal advisor may make an amendment to your trust to add a gift to the **MAJOR PROJECT**.
