

NEWS FROM YOUR ELKS MAJOR PROJECT . . .

Terri (Terri MacCoan, Speech-Language Pathologist) has been incredible this year. She consistently keeps appointments and changes goals as needed. She is fun and engaging. She always has suggestions backed by the latest research. We are very impressed with her ability to teach our children. They eagerly await each visit.

Mavis (Mavis Johnson, Occupational Therapist) is great!! Excellent at her job. Haylie is making great progress. Thank you so much!

* * * * *

Nicole (Nicole Smith, Pediatric Vision Screener) was very friendly and positive. We appreciate this service. She was a great resource for families in need of other services.

* * * * *

Excellent speech therapy by Genie Ruddle (Speech-Language Pathologist). Jana is doing excellent in kindergarten. She has high self esteem, progressing in school and is reading aloud. I do not notice any speech problems.

* * * * *

Katie (Katie Mackay, Pediatric Vision Screener) does a wonderful job with our preschool students. We appreciate working with her during the testing and the planning. The Elks Major Project is doing a great service for our school district and the preschool students. Thank you.
