Norwalk Elks Lodge No. 2142

Norwalk Lodge #2142 Comes Through

The daughter of one of our newer members was in a very serious car accident and broke her neck & spine. Without medical insurance the bills were pouring in, medication costing \$1,000.00 for 10 days and 5 hour surgeries to stabilize her neck. Norwalk Elks, along with many community volunteers, sponsored a 6 hour car

wash on April 15, 2007 and raised over \$4,600.00. While a lot of people were washing and drying cars the lodge was holding a breakfast to help.

Truly an *Elks Care - Elks Share* moment.
